Worksheet – Sample

Name: **Student Sam**

A Bachelor's in Theology requires 120 credit hours. A Master's in Theology requires an additional 30 credit hours. A Doctorate in Theology requires an additional 60 credit hours. You must have one degree or equivalent before studying for the next higher degree.

What degree level are you applying for? Th.B.

Fill in the courses you would like to take either from the catalog or one you create.

Student Sam finds that he has been doing a lot of counseling to homosexuals and would like to sharpen his skills and get added credibility by getting a counseling license. Student Sam is also interested in general church matters and additionally wants some introductory courses to investigate possible further studies. Over the years, Student Sam has taken some Bible courses and would like to receive academic credit for them. These are the courses and credit hours, which Student Sam has selected.

Success: Having completed the courses Student Sam's goals are more than satisfied. Student Sam earns a License in Counseling from the National Christian Counselors Association, NCCA, and is Board Certified in Sexual Therapy. Not only has he received further training in counseling but has explored some introductory courses as he had hoped. He even created his own course the "The Teachings of the Church Fathers". Additionally he received 15 credit hours for previous ministry and 30 credit hours for his previous Bible studies.
